Required Certification of Financial Ability

By signing this form, I certify that all information is correct, that I am aware of the cost of attending Capital University and that I have sufficient funds in U.S. currency available to me during my first year in the U.S.

I have made financial arrangements to cover all academic and living expenses for myself and my dependents for each semester that my program requires. I understand that any authorized part-time work will not provide enough income to pay for my expenses.

If I have been awarded a scholarship by Capital University, I confirm my understanding that I am responsible for all academic or living expenses not covered by my scholarship award for each semester that my program requires. I also understand that I am required to submit documentation demonstrating funds available to me to cover the remainder of my expenses.

I also certify and agree I am ultimately responsible for all expenses that may arise throughout the duration of my stay in the United States.
